

Women And Their Zodiac Characteristics

ARIES

(March 22 - April 20)

Physical Appearance

- Aries women are generally of medium height and quite muscular.
- They usually have a long face, slender neck, bushy eyebrows, a broad forehead and brown or grayish eyes.
- The skin is more often than not of a very good texture.

Mental Attitude

- The Aries woman is ambitious and bold. Quite short-tempered and impulsive, you are optimistic by nature and go all out to attain whatever you have set your mind to.
- You are not afraid of people and situations and can take on any enemy. Try to work on your weaknesses or you may live to regret them.

General Nature

- You are full of energy and do not shirk responsibility. Aries women are candid and generally truthful. It is very difficult for them to keep a secret.
- You have the ability to take quick action. You seldom like to take suggestions from others and ultimately act according to your will.
- You are best suited to guide, control and govern others.

Health

- Aries born women generally keep good health. However, you may suffer from headaches, burns, inflammatory diseases, high fever, colic pains, paralysis, insomnia, pimples, ringworm's, migraine, small pox etc.
- Some accident or mishap could leave a few scars, especially on the face.
- You should rest and sleep and have high protein food and fresh vegetables. You must do regular meditation so that your extra energy is channeled positively.

Money

- The money front for Aries women is not too stable. Though you will earn a lot, you will also blow it away all too soon in rash and impulsive purchases.
- Investments made by Aries do not pay well because of lack of planning. Therefore, Aries women, do not invest impulsively and always take an expert opinion.

Romance And Sex Life

- Raring with extra energy, Aries women love male company. Unlike other women you lead in the sphere of love too. You have the initiative to make the first move in a relationship.
- An Aries woman can make her man understand her motives and is happy when he understands them. The best a man can do in a relationship with you is to resist your impact as much as he can!
- You can have a long relationship with a man that you can be proud of and show to the world like a trophy.
- The highly passionate female that you are, you like to be a leader in foreplay too. Playing with hair delights you the most.
- Every part above the neck is your hot spot.

Marriage

- Your marriage is either every woman's envy or bane. There is no in between. This is because your partner cannot cow you even for a short period of time. Being of a jealous disposition, you also cannot see your husband praise anybody else in your presence.
- Keep a check on your temper. Only a very calm and tactful man can deal with an aggressive Aries wife!

Ideal Match

- Generally you get along well with Sagittarians and Librans.

Caution

- Avoid hot and spicy non-vegetarian food. And be in plenty of air and outdoor life". That shall help in keeping your cool.

Lucky Days, Numbers And Colors

- Lucky days are Tuesday, Saturday and Friday.
- Lucky color is blue.
- Lucky numbers are 9, 8 and 6.

Recommended Gemstones

- You can wear red coral, ruby and yellow sapphire. The gem should be of a vibrant aura and should never have been worn before. The weight has to be decided as per your body weight and age.
